We are a team of educators who are passionate about reaching out to the students with their hearts with compassion and minds with knowledge along with the right values.

We always have priority for students so that they develop a holistic personality and are ready to take on the challenges head-on once they step out of the gates of the College.

Since 2002, St. Rocks has set out on an elevating and stimulating journey to provide our students who come from diverse groups of cultures, traditions and economic aspects.

St.Rocks is blessed with a unique blend of new and old educational values. Our honourable Trustees, Shri. Rajendra Desai is the epitome of old values and morality in education whereas our Director Shri. Premal R. Desai brings in vigour and zeal of a young dynamism with technologies that can help our students to learn about the digital world.

These two represent the force that builds up confidence among the teachers and other associates. St. Rocks College is a sure place to fund positive attitude, skill, confidence, sensitivity and responsibility all in one place.

I welcome all to the beginning of new academic session 2022-23 wish all my students great success in their lives.
