About us

Quality Care Alliance(QCA) is incorporated in 2009, an organization, having a vision to provide value added quality service to the small, medium and large scale sector. QCS cater to your specific needs in the field of quality through Training, Auditing, Consultancy and certification.

We are specialised in Quality Certification & B2B business solution providers

To Saves Money, To Satisfy Customers, To Compete the Competitors.

Our Methodology

- **Plan:** Establish the objective and processes
- **Do:** Implement the processes.
- **Check:** Monitor and measure processes .
- **Act:** Take actions to continually improve process performance.

Our Vision

To be a professional institution to spread culture of Quality to the Industry.

Our Mission

To Provide effective, competitive and practical business solutions to the organizations

Policy

- Gap analysis to checks the strengths and weaknesses in respect of Quality Management.
- Conduct seminars, workshops and courses to propagate Quality Management concepts.
- Work with educational institutions to introduce Quality Education in their curricula.

ISO 9001 Quality Management System

Why do I need ISO 9001 QMS?

Its an upcoming need of an organization to implement QMS to find the way of meeting the requirements that suit its Business Continuity, which inturn relates with the Customer satisfaction and Continual Improvement.

Who Needs it?

ISO 9001is suitable for any organization – Large, Medium or Small scale from any sector.

'QMS '- An overview?

ISO 9001 is the standard, which derives the requirements for QMS. It is designed to identify, implement, monitor & control the organizational core & support processes, which ultimately leads to compliance with stat./ Reg. and Customer's requirements.

Benefits of QMS - ISO 9001

Commercial Credibility, Trust and confidence : It helps to achieve Customer's goodwill, Market reputation, Approved Vendorship to larger potential companies . It opens the doors of National /International markets.

Cost Saving : It helps to reduce process deviations / product non-conformances leading to effective cost saving.

Legal Compliance : It ensures about compliance with various Legal, Statutory & regulatory requirements. Certified organization can display C.B.'s logo on their sales, marketing tools

Commitment : It demonstrates the commitment at all levels of organization ensuring the provision of Quality Product / Service to your customers.

Operating Level Risk Management : Leads to better knowledge of QMS, Identification of areas to be improved & Actions arising.

Employees : Improves the employee awareness about QMS, their roles & responsibilities within organization. Proves your Management Commitment to the Quality Service/ Product.

Continual Improvement : Regular assessment process will help to continually monitor your performance and improve upon.

Importance & Benefits of ISO services

- Achieve Company policy and goals
- Win Customer Confidence
- Increase Customer Satisfaction
- Continually improve overall performance
- Proactive and systematic adjustment to changing market conditions
- Employee Satisfaction
- Performance enhancement
- Transparency and effectiveness of internal company processes
- Error avoidance instead of error correction
- Time and cost savings
- To understand & comply with customer's requirements & stat / Reg. requirements
- To achieve Organizational Quality Objectives and Goals.
- To ensure the cost effectiveness w.r.t. Rejection Management & Control.
- To provide relevant information / Organization Profile to the customer through 'Quality Manual'
- To measure the customer satisfaction.
