

Criteria 2- Teaching- Learning and Evaluation

- The University of Mumbai governs the admission process of the Institute, following the prescribed rules and regulations. Information regarding admission is displayed on the notice board and can also be found on the websites of both the University of Mumbai and the college.
- The College provides opportunities for SC, ST, OBC, differently-abled, and economically weaker section students in accordance with the norms and directives of the University of Mumbai.
- The Teaching-Learning process at the institution includes both classroom teaching and online teaching. Each department of the institution develops a systematic plan for the effective implementation of the curriculum, considering the University of Mumbai and the academic calendar.
- The college also focuses on the overall development of the students by organizing seminars, industrial visits, workshops, and project work.
- The college has the required number of staff members - approved and sanctioned by the management.
- There is a transparent mechanism in place for internal and external assessment for grievance redressal, which is both time-bound and efficient.
- The learning level of students is assessed, and measures are taken to improve their performance accordingly.
- Students at the Institute have the opportunity to freely interact with their subject teachers, HODs, and the Principal, creating a healthy learning environment within the department and the Institute as a whole.
