Criterion 4 - Infrastructure and Learning Resources

- The institute provides adequate facilities such as classrooms, a library, and a computer laboratory. Additionally, the college boasts a spacious campus for hosting various academic and cultural events.
- Students also have the opportunity to engage in outdoor and indoor games such as cricket, football, badminton, chess, carom, and more.
- The college's library is air-conditioned and equipped with E-Granthalaya for automation. E-resources like N-list are also accessible for remote use. Moreover, the library maintains four computers specifically for students' knowledge, reading and reference purposes.
- The college keeps up with the latest technology by providing IT facilities, including computers with LAN connectivity and a bandwidth of 100 MBPS.
- Regular maintenance is conducted to ensure the infrastructure, physical, academic, and support facilities, such as computers, air conditioners, pest control, and water coolers, are in optimal condition.
- Furthermore, the college prioritizes safety and security by installing CCTV cameras at strategic locations throughout the premises.
